

gymnasiumliestal

Gymnasium Liestal (Kanton Baselland) is seeking to appoint, for the school year 2012/13 (from 13th August 2012):

A teacher of Mathematics and Physics (70-100%)

Gymnasium Liestal is a State High School where students study for the Swiss Matura (Baccalaureate level).

The successful candidate will be expected to teach Physics and Mathematics in English to our bilingual classes (German/English). We are looking for an English speaker or an English/German bilingual speaker.

You will have completed your University studies and possess a teaching qualification for secondary level, or you are currently undertaking a teacher training course.

Further details concerning our school can be found on the internet site: www.gymliestal.ch. For additional information please contact the school Headmaster, Dr. Thomas Rätz (telephone 0041 61 927 54 54).

To apply for this post, letters of application with the usual documents (CV, copies of qualifications, employment certificates) should be sent to: The Headmaster, Dr. Thomas Rätz, Liestal Gymnasium, Friedensstrasse 20, 4410 Liestal; or to the following email address: thomas.raetz@bl.ch

The closing date for the above post is 14th January 2012.
